To help determine which precinct to file your case, please click https://geoint.odessa-tx.gov/votingdistricts/.
Once you click on this link, a box will appear that says "my Voting Districts." Enter the address you are trying to determine the precinct for and click the search button. A list will come up below the address. The first one should say "County Elected Representative." When you click the arrow next to it, it will show the precinct of that address.
